SUBJECT INDEX, 1974

A

adenoviruses isolated in India 220
Ammi majus, photosensitizing properties 544
Ammi visnaga, photosensitizing properties 544
aortitis caused by fungus 251
aplastic anemia, viruses isolated from 399
Arizona hinshawii 7:1,7,8, transmission 416
arrhenoblastoma in a chukar partridge 258
Ascaridia galli in earthworms 394
author guidelines 151, 289, 491, 676
award to A. M. Fadly 494

B

best research paper award 494
book review 635
Borrelia anserina antigen detection 463
bronchitis caused by Tetrathyridia 255
budgerigar, paramyxovirus from 226

C

cardiomyopathies in poults, furazolidone effects on 125
CELO virus, *see* chicken embryo lethal orphan virus
chicken embryo lethal orphan virus
  characteristics 220
  detection of antibodies 455
chukar partridge, arrhenoblastoma in 258
cockatoo, vaccination of against Newcastle disease 111
corn, aggravating vitamin E-selenium deficiency 536

D

Dactylaria gallopava
  encephalitis from 4
  in litter 445
dactylariosis in chicken, newly recognized disease 4
disease reports
  north central 636
  northeastern 651
  southern 661
disinfectants vs velogenic viscerotropic Newcastle disease 526
duck
  enzyme changes in, from iron or lead shot 435
  imported eggs, bacteria from 240
  viral enteritis in, isolation 427
  vitamin E-selenium deficiency in 536
  wild, type-A influenza in 119

E

editorial 1
eggs, duck, bacteria from 240
Eimeria, incidence in major broiler areas 331
Eimeria acervulina
  drug resistance in 331
  effects on intestinal pH 96
Eimeria maxima, drug resistance in 331
Eimeria tenella in major broiler areas 74
encephalomyelitis, ecological survey 369
enteritis, *see* ulcerative enteritis
enzyme changes in ducks fed iron or lead shot 435

F

Fadly, A. M., best research paper by 494
falcon poisoned by pesticides 487
fosfomycin vs pasteurella 578
fowl cholera, see *Pasteurella multocida*
fowlpox
  atypical 84
  vaccine 495
fungus cause of aortitis 251
furazolidone
  effects on cardiomyopathies in poults 125
  effect on glycogen in turkey heart 551

G

glycogen
  in round heart disease 614
  in turkey heart, effect of furazolidone on 551
goose, starvation of 149
goslings photosensitized by *Ammi* 544
guest editorial 1
guidelines for authors 151, 289, 491, 676
Gumboro disease, *see* infectious bursal disease

H

Hemophilus gallinarum in mixed vaccine 297
hemorrhagic enteritis, virus particles with 67
herpesvirus, interferon production by 531
herpesvirus of turkey
  vs JM virus 305, 318
  vs Marek's disease 45
Histomonas meleagridis
  ceca ligation vs 452
  susceptibility measured 507

I

inclusion body hepatitis
  chicken response 623
  viruses isolated 399
infectious bronchitis
  differentiating two serotypes 262
  localized resistance in trachea 346
  in mixed vaccine 297
  serological comparisons 231
  serological response 515
  test for in eggs and serum 105
infectious bursal disease
  characterization 467
  effect on antibody response 50
  growth and characterization 243
  in Lebanon 343
influenza
  in migratory waterfowl 610
  type-A, in wild ducks 119
instructions for authors 151, 289, 491, 676
interferon produced by herpesvirus 531
iron or lead shot in ducks 435
irritation of tissue by fowl cholera bacterins 590

J

JM virus
  herpesvirus of turkey vs 305, 318
  maternal antibodies influence 305, 318

L

Leucocytozoon smithi in turkey 21
Levine, P. P., life membership 493
litter, *Dactylaria gallopava* in 445
lymphocyte stimulation by mitogen 602

M

Marek's disease
  false antibody readings 627
  immunization against 33
  interferon production 531
  isolation from aqueous humor 267
  tumor response to vaccination 58
  turkey herpesvirus vs 45
Melopsittacus undulatus, see budgerigar
mitogen stimulation of lymphocytes 602
mouse, viscerotropic velogenic Newcastle disease isolated from 633
Mycoplasma gallisepticum
  evaluating drugs vs 271
  strain comparisons 91
Mycoplasma meleagridis, tylosin vs 134
Mycoplasma synoviae, factors influencing growth 148, 568
myxoma in chicken spleen 139

N

Newcastle disease
food and water deprivation effects 326
in migratory waterfowl 610
in mixed vaccine 297
vaccinating cockatoos and parakeets vs 111
velogenic viscerotropic, disinfectants vs 526
velogenic viscerotropic, in mice 633
with very high thermostability 274
north central disease reports 636
northeastern disease reports 651

P

parakeet, vaccination vs Newcastle disease 111
paramyxovirus from a budgerigar 226
partridge, chukar, arrhenoblastoma in 258
pasteurella, fosfomycin vs 578
Pasteurella hemolytica in chicken 483
Pasteurella multocida
host-specific cross-immunity induced 213
protection from bacterin 631
serotyping results 265
sulfachloropyrazine vs 410
tissue irritation from bacterins 590
transmission by raccoon bites 559
turkey susceptibility 619
pesticide poisoning of falcon 487
photosensitizing properties of *Ammi* 544
precipitin reactive to tryptose phosphate broth 627

Q

quail disease, see ulcerative enteritis

R

raccoon transmission of *Pasteurella multocida* 559
reovirus in broilers 472
reticuloendotheliosis virus (strain T), initial isolation 278
round heart disease, glycogen in 614

S

salmonella, host response 153
Salmonella anatum, phage typing of 565
Salmonella enteritidis, temperature-sensitive mutant 178
selenium, deficiency aggravated by corn 536
shot, iron or lead, in duck 435
skeletal disease in turkey 378
southern area disease reports 661
spleen, avian myxoma in 139
sulfachloropyrazine vs *Pasteurella multocida* 410

T

tenosynovitis, infectious, serology and histopathology 289
teratoma in domestic fowl 142
Tetrathyridia cause of bronchitis 255
tumors, increase with vaccination against Marek's disease 58
turkey herpesvirus, see herpesvirus of turkey
tylosin vs *Mycoplasma meleagridis* 134

U

ulcerative enteritis
characterization 195
experimental disease 205
isolation of causal organism 186
umbilical hernias in turkey 477

V

vaccine, mixed, response 297
velogenic viscerotropic Newcastle disease, *see* Newcastle disease
vitamin E, deficiency aggravated by corn 536

W

waterfowl, Newcastle disease and influenza in 610
